

Do you want to take responsibility in a young startup? Then you've come to the right place!

At the earliest possible date, we are looking for a team player at our Munich location as a

ENTREPRENEUR IN RESIDENCE (f/m)

A wide variety of topics and tasks are waiting for you in our startup environment, such as business development, marketing, finance, product management or project management.

As a compulsory internship, as a working student or in the form of a Bachelor's or Master's thesis..

YOUR RESPONSIBILITIES

- A hands-on involvement in the development and proactive establishment of the startup
- Responsibilities assigned according to competence and need
- Regular discussion and adaptation of tasks
- Bringing in your own interests and ideas
- Realization of challenging projects

YOUR PROFILE

- [Mandatory] Very good analytical skills and strong written and spoken English proficiency
- [Mandatory] Ability to communicate and self-confident appearance
- [Mandatory] Strong interest for IT and digital technologies
- [Mandatory] No fear of new challenges and tasks
- [Mandatory] Quick comprehension and flexibility
- [Mandatory] Willingness to build a business

OUR OFFER

- Office with excellent public transportation access (Hochschule München, Dachauer Straße)
- Team with plenty of professional and leadership experience with lots of fun at work
- The opportunity to learn from an experienced team (soft and hard skills)
- Unlimited free drinks (water, tea, coffee, beer) and fruits
- An unusually well organized and structured startup
- Regular legendary team events

Our vision is to make blockchain technology easier and safer for people to access. Become part of this vision if you are ambitious but also talented and change the world with us.

We look forward to receiving your application, including a short portfolio, via e-mail to hans@titankey.tech
